AMERICAN FLAG FOOTBALL LEAGUE ANNOUNCES THAT HEISMAN TROPHY WINNER DANNY WUERFFEL WILL JOIN THE LEAGUE TO ADVISE ON FOOTBALL OPERATIONS

NEW YORK (November 13, 2018) – Today the American Flag Football League (AFFL) announced the addition of Heisman Trophy winning quarterback Danny Wuerffel to its Advisory Board. AFFL Advisors work with the League on a variety of matters, including football operations and player development. Wuerffel’s illustrious football career includes winning the National Championship at the University of Florida, the World Bowl with the Rhein Fire, and first and second round games with the Gators United in last year’s AFFL US Open.

“Getting back on the field last year with some of my Gator teammates was a tremendous thrill. Playing in the AFFL, I was so impressed by the level of talent displayed by athletes from all walks of life. I look forward to working with the AFFL to showcase these compelling players,” said Wuerffel.

“Very few football players have ever reached the heights that Danny Wuerffel has reached, both on and off the field,” said Jeffrey Lewis, AFFL Founder and CEO. “Perhaps more impressive than a Heisman win or four straight victories over Peyton Manning and the University of Tennessee is Danny’s immense commitment to Desire Street Ministries, which works to revitalize under-resourced communities all over the Southeast. Danny brought tremendous energy to the AFFL last year and we look forward to working together to grow Flag Football all over the U.S. in the years to come.”

Wuerffel joins Tim Brosnan, Michael Vick, Donovan Darius and Rob Konrad on the AFFL Advisory Board.
